Preamble

In consideration of the *Insured* paying to the *Insurer* the premium stated in the *Schedule* and in reliance upon the Statement of Fact the *Insurer* agrees to provide insurance in the terms of this Policy.

Any word or expression to which a specific meaning has been attached shall bear the same meaning wherever it appears. The liability of the *Insurer* during the *Period of Insurance* shall in no case exceed the amount of the relevant *Sum Insured* or *Limit of Indemnity* set out below (or such other sum or limit as may be substituted by Special Condition or Endorsement hereon signed for and on behalf of the *Insurer*).

Please remember *You* must make a fair presentation of the risk to *Insurers* including any changes *You* wish to make. This means that *You* must:

1. disclose every material circumstance which *You* know or ought to know or, failing that, sufficient information to alert *Insurers* to make further enquiries; and
2. make such disclosure in a reasonably clear and accessible manner; and
3. ensure that, in such disclosure, any material representation as to a:
 - a) matter of fact is substantially correct; and
 - b) matter of expectation or belief is made in good faith.

A circumstance is material if it would influence the *Insurers* judgement (as a prudent insurer) in determining whether to take the risk and, if so, on what terms. If *You* fail to make a fair presentation of the risk then this could affect the extent of cover provided or could invalidate your Policy. If *You* are in any doubt as to whether a circumstance is material then *You* should disclose it. *You* should keep a record of all information supplied for the purposes of the application of this insurance.
